Mojacar Pueblo is an elevated mountain village, displaying the traditional white colour from its earlier days. It is a village steeped in history and retains many of the original Fiestas. Within the village, you can enjoy local amenities, with a choice of bars and restaurants and individually owned shops.

It's closeness to the Playa, which you can access via foot, car or bus is ideal, and here, you have a larger selection of amenities to enjoy.

The studio apartment offers you one bedroom and one bathroom and the most wonderful views towards the coastline, so you can enjoy the sunshine and spectacular sunsets.

The property is compact and bijou, but has been fully modernised and as you will see from the photographs, and offers a unique, private space to enjoy your time in this beautiful area of southern Spain.

Access to the property is via stairs, and then into a small hallway.

Immediately on your left is the bedroom, with some storage and opposite this is the bathroom. This offers a walk in shower.

Here you will also find an ideal storage space.

Moving on, you access the open plan, living/dining and kitchen area.

This is a bright, light modern space. It has been thoughtfully designed to make the most of the available space and offers comfort and practicality.

There is even an area that can be used as an office space, or as somewhere to put a cosy chair, close to the large windows, to take in the sunshine while reading a good book and enjoying a glass of something wonderful!

A glass doorway now takes you out to your private terrace area, where you are going to enjoy wonderful far reaching views down to the coast.

There is ample room here for outside furniture, to make the most of the outdoor space.
