## Description

**\*\*RESERVED OCTOBER 2024\*\***

A beautifully presented first floor 2 bedroom, 2 bathroom property situated in the sought after area of Vera Playa.

Located in a gated community, this apartment offers an excellent home for all year round living, an ideal lock up holiday home or rental potential.

The communal grounds are kept to a very high standard and include off road covered parking, gardens, children's play areas, indoor heated swimming pool, outdoor adults and children's pool.

Leading directly from your allocated parking space are the stairs leading to the front door.

Internally the home is recently decorated with a modern finish and a key-turn ready design.

An entrance hallway provides a bright and airy reception to the property. Immediately to your right is the fully fitted kitchen with granite work surfaces, ample storage cabinets and a separate utility room with additional storage space.

Continuing along the hallway you enter the spacious living and dining room with patio sliding doors leading out onto the private terrace, a wonderful space where you can enjoy views over the communal pool and gardens and distant sea views.

There are 2 double bedrooms with fitted wardrobes, the primary having direct access to the front terrace and an en suite shower room.

The family bathroom has a wooden under sink cabinet, wall mirror and shower screen on the bathtub.

A wonderful property that offers a real slice of coastal living in Almeria.

There are currently underpinning works being carried out on one block on the community.

However, the works are on a completely different block from where this property is situated, so it is not affected.

However, due to the works required, the community as a whole, will be responsible for the cost of works.

The figures are not yet known as the community has recently instructed a new management company.

Looking forward, the Murcia - Almeria, Mediterranean Corridor high speed rail link is due to be completed in 2026, with new stations being in Lorca and in Vera.

This will allow easy travel to other regions of Spain, with much reduced travel time.
