Description

Set of 31 semi-detached houses a stone's throw from the beach, golf and all the services that VILLA DEL MAR offers you. Live in a semi-detached with 4 bedrooms, with an open-plan ground floor and 2 parking spaces in a closed residential complex with a common pool. VILLA DEL MAR is designed so that you can live as you have always wanted and enjoy the outdoors from your private garden. A project with almost zero energy consumption that will save you at any time of the year thanks to its ventilation system that reduces Co2 emissions and ensures that the air is constantly renewed without the need to open the windows. The air conditioning and the generation of hot water is carried out by means of an innovative arothermal system. With an avant-garde design, where the finishes are top brands, designed to guarantee the comfort and quality of life of its inhabitants. You will have free customization options such as the tone of the flooring, interior paint tone, kitchen furniture or decide if you prefer a bathtub or a shower tray. Estimated completion end 2025.
