Description

This exceptional duplex penthouse residence is situated in the upper area of the prestigious Cerrado de Calderón urbanization in Málaga. The property boasts a sought-after south-facing orientation and features an expansive 100-square-meter terrace, offering panoramic views across the entirety of the beautiful Bay of Málaga. The dwelling comprises 256 square meters of built area, distributed over two levels.

Lower Level (Main Floor):

Entrance vestibule

Luxury guest toilet

Generous living room with an integrated fireplace within a wall unit featuring shelving and low cabinets.

Large, separate dining room directly connected to the kitchen via a door.

Well-proportioned kitchen with an entrance hall and a rectangular layout suitable for double rows of cabinetry and appliances.

Utility room located at the rear of the kitchen, adaptable for use as a staff bedroom.

Upper Level

Accessible via a unique open staircase cantilevered over the main floor with an elegant varnished wood balustrade.

The staircase area benefits from a large translucent hardened polycarbonate skylight spanning both levels, providing diffused natural overhead light throughout. This design creates a double-height effect and allows views from the upper level to the living room below.

Four bedrooms, all equipped with substantial built-in wardrobes.

Three bathrooms.

Long hallway with a built-in wardrobe and three vertical openings overlooking the staircase, allowing natural light from the skylight to permeate.

The principal bedroom features an en-suite bathroom with a two-meter countertop accommodating a double sink and a ceiling-height mirror, directly reflecting the bay views visible through a lateral clear glass window.

A significant attribute of this property is its exceptional natural light, with all rooms featuring exterior-facing windows, effectively creating the ambiance of a detached villa at height.

The rooftop terrace, which constitutes the building's roof, has legally registered private access and exclusive usage rights.

The property includes two parking spaces within the advertised price.

Cerrado de Calderón urbanization is highly regarded and sought after within the capital of the Costa del Sol due to its prime location, abundant green spaces, and valuable forest heritage. Developed east of the city on a mid-slope, extending northwards from the coastal line defined by Paseo Marítimo Pablo Picasso, the historic Baños del Carmen spa, and the beaches of Pedregalejo. Its infrastructure is well-established, anchored by four main thoroughfares: Paseo Cerrado de Calderón (southern access) and Calles Olmos, Flamencos, and Cáceres, providing direct access to the Autovía del Mediterráneo (A-7) on its northern boundary.

The urbanization benefits from the presence of four of the city's leading private-subsidized educational institutions: Colegio Cerrado de Calderón, the French Lyceum, the British School "St. George's," and the "de las Esclavas" school ...
